FACTS CONCERNING THE SEA OF GALILEE

Sea of Galilee (Chinnereth)

It is in the shape of a harp or a pear.

12 ½ or 13 miles long and 7 or 7 ½ miles wide at widest point.

SEVERAL THINGS BIBLICALLY OCCURRED THERE AT THE SEA OF GALILEE:

Jesus walked on the water

He calmed the storm on Galilee.

There made Peter and John fishers of men.

Jesus fed masses of people. (4,000 and 5,000)

Sermon on the Mount taught

Jesus healed the official's Son.

There Jesus paid taxes with a coin taken from a fish.

Christ found the disciples there after His resurrection and cooked a breakfast.

It is a primary source of drinking water for Israel.

It is a site of recreation and tourism.

This is only a few things of what happened there.

Several names for it: Gennesarat, Tiberias, Sea of Chinneroth

There Jesus taught in the synagogues, preached the gospel of the kingdom, and healed sickness and various diseases.
